EASIER LAUNDRY

With the CSC GO™ Mobile App

Let's Do Laundry

1 Load and Select Cycle
Load laundry into an empty machine and select a cycle on the machine.

2 Scan & Press Start
Open the CSC GO™ app or use the camera app on your phone to scan the QR code located on the front of the machine. Press start on the app and then press start on the machine.

3 See Machine Status
Easily monitor machine progress and receive a notification when a laundry cycle is complete

(notifications are only available when starting a machine with the app).

Download the CSC GO™ App

1 Visit your laundry room and scan the QR code on the front of any machine using the camera app on your phone.

2 Download the free CSC GO™ mobile app on your iOS or Android device.

3 Select your laundry location.

4 Create an account*. **Do not assign a debit or credit card - the machines run free.**

*Account registration is not required to start a machine or view machine status. However, using the app is the only way to receive a notification when your cycle is complete.

Turn on notifications to receive a text when your laundry is complete.

Within the app, go to:
More > Notifications > Swipe right to turn on.

CSC GO™ is designed for smartphones.
Tablets may show machine activity, but you will not be able to receive a notification via a tablet.
